I am an Interested Party pro se in VEASEY v PER RY
2:13cv193 Docs 23 & 36.

I suggest a 2nd ballot for limited voting for Texas State
House candidates with candidates on the limited voting ballot
in about four districts beyond their own to loosen winners
ties to liars and fellow travelers, inhibit tyranny and
promote turnover.

Re: FOIA Request Received June 14, 2012

Dear Mr. Allensworth:

On June 14, 2012, this office received your letter dated June 12, 2012. While your letter does not state that you are making a Freedom of Information Act ("Act" or "FOIA") request ("Request"), we are treating your letter as a FOIA request.

In your letter you request "house and senate floor debates" on HB 5877 from the 97th General Assembly and SB 1582 from the 96th General Assembly.

Our office does not yet possess written transcripts for any floor debate on HB 5877. Furthermore, SB 1582 was never called for a vote on the House floor and therefore there is no written transcript available. However, we do have in our possession a Senate floor debate on SB 1582 from the 96th General Assembly which we have enclosed.

Thank you for your cooperation.

Sincerely,

Eric M. Madiar
FOIA Officer
